Page 29

A white vinyl fence runs across the foreground, with a house and trees in the background. The fence has a gate on the left side. The house has a porch with columns. The trees are green and leafy.

Master Halco is North America's largest manufacturer and distributor of fencing materials and with almost 60 branches we have served professional fence contractors each and every day since 1961.

Our continued commitment to providing you with the best products and service will ensure that you can choose Legend® vinyl fencing safe in the knowledge that your investment is backed by a reputable and long-standing industry leader.

Legend® products are proudly made in the U.S.A.

Note: Legend® products use components that meet or exceed ASTM 964-02 specifications and testing for materials used in fencing applications and are backed by our lifetime limited warranty.

A range of gates in standard sizes is available for every style of fence in this reference guide. Please discuss gate options with your fence contractor.

Picket

- 6' width from post center to post center
- Available in 3', 42" and 4' heights

(Pool Scallop II style — see page 24)

A LIFETIME OF MAINTENANCE FREEDOM

Master Halco warrants the original consumer purchaser that vinyl fence systems are free from defects in material or manufacturing workmanship. As a result, these products will not peel, split, flake or blister.

Furthermore, Master Halco warrants that these products will not require the painting and traditional maintenance associated with fencing manufactured from raw materials other than PVC. Nor will they exhibit abnormal weathering, discoloration, brittleness or insect damage.

Be sure to ask your fence contractor for a full written copy of your Lifetime Limited Warranty at the completion of installation.
